

Dear Harvard Parent,

I am reaching out to you as a new Harvard parent and the chair of the 2018-2019 Harvard PTA Fundraiser Auction, the biggest PTA event of the year. Last year, they made over \$100,000 for the school!

My son only started kindergarten this year, but I had the opportunity to attend the fundraiser last year and enjoyed it so much, I knew I wanted to be involved in planning it. However, the only way we can make the event as great better than last year is with your help! It's a fun and great way to get involved, meet other parents, and raise money for our school.

We have the big seats for the committees filled with wonderful parent volunteers, but we need many more volunteers to help us with so many little things that need to be done over the next few months. You have one hour? One day? A few minutes? It all will help.

Please come and join me at our informational mixer at Sonoma in the Heights on November 1st at 7:30 to enjoy some light bites and learn about all the volunteer opportunities to help us make this event a great success!

Thank you,

Lisa Riley
Fundraiser Chair & Kinder Mom
