

HARVARD ELEMENTARY PTA

810 HARVARD ST. HOUSTON, TX 77007 | 713-867-5210

Dear Harvard Families,

On behalf of the Harvard Elementary PTA, it is our pleasure to welcome you back to our wonderful community! After an abrupt end of our in-person school year mid-March and with the uncertainty of what lies ahead, we go into this school year with both excitement for a type of normalcy and recognition that this normalcy is different. We move forward as a community of neighbors, friends, and parents. We will set an example of resiliency and strong community for our children. We ARE Harvard Strong!

The Harvard board and staff thank you for your continued support of the PTA and involvement in such a wonderful community. The upcoming year will be a challenging one for the PTA, especially when it comes to fundraising, but if there is a community that knows how to come together, it is Harvard parents!

We are delighted to announce our 2020/2021 fundraising drive. The fundraising drive will go from October 12th through November 13th, however we welcome donations at any time. We know it is a trying time and uncertainty brings anxiety and fear and we want our members to know we understand how difficult this time has been. With drive, dedication, and perseverance, we can make this a successful year during this challenging time.

Harvard, is an International Baccalaureate World School, specializing in a Science, Technology, Engineering and Math (STEM) program. We serve a diverse student body with approximately 19% of our student body considered economically disadvantaged. Our fundraising goal this year is \$135,000, which will support all Harvard students. Highlights from our annual budget include funding for:

- School assemblies and field trips, featuring programs from Main Street Theater, Houston Grand Opera, Museum of Natural Science & more
- Library programs such as Accelerated Reader
- Teacher education and enrichment as well as teacher appreciation
- Community Involvement including movie night, playdates, etc
- Technology and software upgrades throughout the school
- Outdoor Garden
- Safety equipment
- Virtual Learning Tools

Please see the attached form or visit <http://harvardelementarypta.org/donate/> for information about our various levels. If you have a business and would like to see our corporate Sponsorship Information please reach out to Stacy Upchurch (fundraising@harvardelementaryPTA.org).

Please let us know about any corporate matching programs. This is a great way to double your donation to Harvard Elementary.

Thank you for supporting the Harvard Elementary students and community.

Sincerely,

Stacy Upchurch
VP Fundraising
